PUBLIC SCHOOLS

Providing A World-Class Education

April 4, 2006

Dr. Steven L. Walts
Superintendent of Schools
Prince William County Public Schools
P.O. Box 389
Manassas, VA 20108

Dear Parents & Guardians of our Teen Drivers:

I would like to thank you for taking this step to partner with Prince William County Schools, the Prince William County Police and The Allstate Foundation to attend this meeting to learn about traffic laws, safety techniques and ideas to help your teenager learn to drive safely. Our goal for this program is to reduce the number of teen driver tickets, crashes and fatalities in our community. The Prince William Partners for Safe Teen Driving believes that for us to accomplish our goal, we need to provide comprehensive and continuous education throughout the entire community.

Attending this meeting tonight shows your commitment and desire to help your teenager through the first critical stages of learning to drive. We all have a role in the student driver learning process by serving as role models and providing as many real-life experiences in driving as possible. I encourage you to be active in this effort by using the 40-hour driving log and enforcing the graduated licensing process to assist your teenager to have a safe and positive driving experience.

Thank you for partnering with us in this effort.

Sincerely,

Steven L. Walts
Superintendent
